

Sun Sport

BY GULF STREAM®

**Enjoy Recreational Vehicle
Living To its Fullest!**

The all-new Sun Sport by Gulf Stream - it's all you'd ever dream of or need in a luxury Class A motorhome - for LESS! With a unique blend of wide-body interior spaciousness combined with generous pass-through basement storage, beautifully hand-crafted oak cabinetry, ducted roof air and stunning slide-out floorplans, the new Sun Sport is the most value-packed Class A on the market!

Sun Sport

BY GULF STREAM®

With an all-new interior design that features nearly seven feet of interior headroom, residential size cabinetry, and upgraded designer furniture, the Sun Sport is a hit with discriminating buyers.

The new dash/cockpit area features a large overhead color television and the oversize windshield offers the driver and passenger a panoramic view of the road.

The open bath concept in this Sun Sport model features a large, residential style shower, large sink base with built-in hamper, a mirrored medicine cabinet and more! The bedroom of the Sun Sport offers large wardrobe and overhead storage cabinetry, convenient night stands and a queen size walk-around bed.

This private bathroom, spacious mirrored wardrobe storage with deep drawers underneath are just some of the highlights of this floorplan.

This unique double slide-out floorplan offers slide-outs on both sides of the coach for one of the most spacious motorhome interiors ever realized. For an added touch of class, choose the optional oak plank flooring in the kitchen area and the raised panel oak inserts on the refrigerator doors.

With upgraded designer fabrics and durable carpeting, the Sun Sport interior is sure to please.

Value-Packed **LUXURY**

It's attention to detail like this handy silverware drawer that wraps around the kitchen sink that makes the Sun Sport stand out from the crowd.

You'll appreciate the Sun Sport's new roomy one-piece shower enclosure, available in most models. As always, Gulf Stream puts a skylight above the shower to allow more natural light in.

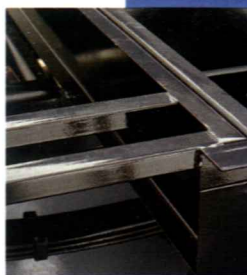

There's added storage space under this "flip-sofa", which easily makes into a bed when you're looking for more sleeping space.

Sun Sport's "cradle of strength" construction begins with a combination of strong, I-beam steel and tubular steel trusses. This forms one of the strongest foundations ever realized in a coach of this size.

Sun Sport's all-steel constructed sub-floor, combined with the galvanized steel-formed storage compartments, allows for the strongest pass-through storage areas on the market.

You'll enjoy the versatility afforded by this optional exterior entertainment center featuring an AM/FM cassette stereo, speakers, electrical recept, cable TV jack, phone jack and more.

When you choose the exterior paint mask option, you'll automatically receive this custom, monogrammed protective cover that easily snaps on and off the front cap, providing additional protection.

The all-new Sun Sport by Gulf Stream features 1-1/2" tubular steel framing in the sidewalls and roof that is vacuum-bond laminated for superior strength and long-lasting durability. The exterior features newly designed front and rear fiberglass caps and a contemporary graphics package, that includes paint along the entire coach. Riding on either the new Ford or Chevy chassis, the Sun Sport is available in lengths ranging in size from 31' to 34'.

With Sun Sport's new wide-body design, and nearly seven feet of interior headroom - you'll be impressed with the added spaciousness that Gulf Stream has engineered into each coach! You'll also appreciate the warm interiors, featuring raised panel oak and mirrored cabinet doors. You'll love the large roll-out drawers under the booth dinette for convenient, additional storage.

Sun Sport

BY GULF-STREAM®

The Sun Sport by Gulf Stream is the number one choice of discriminating buyers who are looking for more standard features, better quality construction and a price that can't be beat.

The Sun Sport has it all - with tubular steel constructed vacuum-bond laminated sidewalls and roof, available ducted roof air conditioning, heated and enclosed holding tanks, enormous steel constructed pass-through basement storage areas and stunning exterior graphics!

Gulf Stream has proudly engineered the Sun Sport's all-steel "cradle of strength" construction. With steel sub-floor trussing and tubular steel sidewall and roof studs and frame, this motorhome is made to stand the test of time.

With tremendous exterior eye-appeal, the Sun Sport features storage compartments under the slide-out room, integrated rear bumper, and is available with a rear ladder and an awning over the slide-out that opens automatically with the room.

The Sun Sport motorhome offers a variety of bathroom arrangements, each with beautifully crafted cabinetry, a large tub or shower, a skydome, a designer mirror, and porcelain commode with foot pedal flush and sprayer.

This truly unique kitchen slide-out, a luxury usually reserved for high-end busses, is just another example of Gulf Stream's dedication to providing our customers with more for their money. The hardwood plank flooring and raised-panel oak cabinet doors add a touch of class to this already elegant and spacious interior living area.

Choose the Sun Sport for a look of unmatched elegance, featuring a radius roof with ducted air conditioning, raised-panel oak cabinet doors and upgraded fabrics. Add the optional hardwood plank flooring in the kitchen area and solid oak refrigerator insert panels for a look of elegance.
